The great popularity of the Glenwood Range and the many inquiries we have had by people who want to go into a club this year, cause us to make this generous club offer. There are a lot of people who would like to own a new Glenwood, yet do not find it convenient to pay all cash and who do not wish to purchase on the regular installment plan. To such, we offer the

Club privilege, whereby the net cash price may be obtained, without having to pay the entire cost in a lump sum.

Glenwood Club Membership

Costs \$5.00 to Join and \$2.00 Weekly Dues.

These dues if paid promptly and not allowed to run in arrears, will entitle the club member to a ten per cent discount, exactly the same as if the full amount was paid at time of purchase. This is made possible by the co-operation of the Glenwood Foundry.

By All Means Join At Once

This dignified way ought to appeal to every one who is in the market for a new range, as it is the most liberal offer ever made. Any Glenwood may be delivered as soon as member enrolls, or later, at the convenience of the purchaser.
